

Amendments to the Drawings:

Please add a new drawing sheet as required under 37 CFR 1.81(c) and in compliance with 37 CFR 1.121(d). The new drawing sheet is a formal drawing that facilitates the understanding of the present invention, as requested by the Examiner. No new matter has been introduced in the new drawing sheet.

The new drawing sheet 1 includes a Figure 1 which is an exploded perspective view of the multimedia room system and construction of the present invention as described in the specification, support of which is found in paragraphs 0022-0029, 0033-0036, 0049, 0052, 0055, 0057, and 0058 of the present application.
